

CAA How to Drive Curriculum

STUDENT ASSIGNMENT

Driver Attitudes and Behaviour

Accurate assessment of driving environments, road conditions and appropriate adjustment of driving behaviour is essential to safe driving. Control over emotions and other personal factors can play a bigger role than you think.

Values, beliefs and other motives can easily influence our attitudes towards driving.

This assignment will deal with the impact of driver behaviour on our safety, as well as the safety of other road users.

By choosing one of the following topics, you will write a one page report (200 – 300 words) that will help foster the understanding and practice of safe and responsible driving behaviour.

Types and sources of road rage

What personal factors influence driving attitudes and behaviour

Influence of other people's driving habits

Peer pressure and driving.

Influence of vehicle advertising

How positive driving attitudes result in safe and responsible driving behaviour

Driving is a privilege not a right

Effective strategies for resisting negative pressures

This assignment is worth 5% of your total mark and must be presented in Session Eight.
