

## **CAA How to Drive Curriculum**

### **STUDENT ASSIGNMENT**

#### **Parent/Teen Vehicle Use and Operation Agreement**

Provide each student with a copy of the Parent-Teen Vehicle Use and Operation Agreement Template. This agreement is to be used as a guide only in the development of your own agreement.

For driver training to be effective, mentors and teens must communicate with each other to develop mutual respect and understanding. A vehicle use agreement provides an excellent way to be objective and increase the probability of safe performance, economical operation and responsible behaviour.

Using the provided worksheet, you will design a mutually agreed program for sharing the automobile.

This assignment is worth 5 marks and your agreement must be presented in Session Eight.
